Murder at 4:30 tonight
- light one, a light
rain

10/30/55 Sun
Rain last night
at times this forenoon
early PM
Cleared Raining
in afternoon, may
snow in Northeast.
Temps cooler
tonight. Lows.

Nov 6, 1955 - Sun.
Cold this A.M. -
Thermometer last night
No frost to or cold
damage here at
3307 N. Tucson.

Beweeks were
mountainly changing
to West end Hotel.

11/6/53 -

Tomatoes, unprotected were damaged with sheets.

11/7/53 - some frost damage on Green Beans, Peppers (Chalcedon?) on E.W. Stem. Highway near River.

11/8 - noted Tomatoes were pretty well killed by cold as also unprotected Dahlias.

11/12/52 - Sat.

Fair Tom Sprouse
of 1st Artillery Band
and also Dancers,
Harry Reiches,
White Bros.,
Jones, Timmie,
Chickadee,
Cardeals, Sam
Sparrows, Mockings.
Birds, and Skeeters
& Crows.

* Remember Free Lunch
of our Feeder
by Sun's Window.
Temp. about 730
Official.

11/12/55 - Sun.
Temp. 75° Today
Pipes were checked.
25 Waxwings
heard today
about yard.

11/14/55 - Mon.
Temp. 770 -
in 50's in morn.

Nov. 26, 1955 - Sat
about 11:00 A.M.
Claire & Irene
driving west on
Westover Rd.

Drive (from Sanger)
toward home,
and were at 30th.
St. when I saw
a Bobcat coming
toward Roosevelt
Rd. & Westmoreland.
I hurried to 33rd.
& Weston. There
I stopped in the
median for, I thought
out. We found
four Red-
shouldered Hawks
sweeping in big lazy
circles about

Whitcomb Place
and Washington
Drive, on different
levels, but not
very widely separated.
They both look
very much like
S-S.E.

Nov. 27, 1953 - Sun.
Church: W.M.
a great Red-Tailed
Hawk soared
above Church
just off Roosevelt
St., Regent Estates.

1/22/55 - Sean,

As I lie awake in bed my mind keeps drifting away almost like I'm not at peace. I'm at peace because I took the time to get to know you & talk with the innocence, to enjoy time, & life again today.

Dec. 3 1953 Sept.
Thursday 3:00 P.M.
I heard the calls
of Chris. High
Overhead 40
degrees South
by South - East
Fairly High -
one flock of 32,
and the other 8
just a little ways
from each. They
called frequently
and flew
Fairly swift.
I judge him
Traveling at Ease.

Dec. 4, 1953 - Sun.

I hope the
ark for Leeds
also for Sue &
Catherine!
Sterling, Horse
Thornhope
Lucas, Mickey
Bird,

Feb. 28, 1952 — Dues.

2 Ruffins

Feb. 29, 1952 — Wed.

1 Ruffin

March 3, 1952 — Sun.

Ruffins called

about. Symonds

Peppers called.

Magazine Rod.

Watkins at Epworth.

Jackie Lou Ferris.

Heard Gracie

all above Tom —

also Cortez.

March 4, 1956 - Sun.

Beach Haven

Flying S-SW over Barnegat Bay Beach Haven at limit of vision, overhead many Robins.

At mrs. Culbertson's on Dearborn Drive Sleepy Hollow Road - all usual birds, plus female Cardinal, one Fox Sparrow, Nuthatch, Downy Woodpecker

March 5, 1956 -

Red Spur -

one Robin near

Phebe's House

cowing.

March 11, 1956 - Sun.

Field Sparrow

singing on Jack

Shadle yard (2).

5 Goldfinches eating

dry Nightshade

berries on fence.

Juncos, Song Sp.,

Killdeers (2), Robins,

Cardinals, Grackles,

Bluebirds.

3/14/52 — Wed.

Ice Cedar Waxwings
in Weeping Willow.
Juncos, Robins,
Bluebirds, Song
Sps., Cardinals,
Blue Jays, Goldfinches,
Mockingbirds,
Field Sparrows.
3:00 P.M. - Chipping
Sparrow on Front
lawn. Calling -
In cold (50°), very damp
weather, very heavy,
overcast sky -
after lots of rain -
fell.

3/16/52 - cont'd.
2 Grackles flyg over house. Flock-
wings in Sevans maple-
probably others in
Lignatum, later 3 /
Waxwings in Willow-
with male Robin, who
chased one Waxwing.

3/17/52 - Sat.
Never less than
20 Waxwings in
view at any one
time, all day.

3/17/66 — early,
In driving
into yard about
noon, I counted
100 or more to
Kay Drake's house
and in Moraine
Locust. Probably
more than 100!
Since they were
very close together,
I did not have
binoculars, & in a
number of spots
several appeared
to be where I could
only see one in

3/17/52

Profile By
Lake afterlos.,
they had stripped
all leaves
— twigs, and
were tryin for
the Pyla and the
ferlies, and
had a runnin
fight with the
Saracens for them. They
left a wake
under them
without flags
usually.

3/17/82 - Ord.
Female Cardinal
first one here - one
at Culbertsons 3/3.)
at feeder by Susans
window.
Juncos, Song
Sparrows, Blue -
birds, etc.
Beautiful day -
but cool! Big movie
for Scouts!

3/18/82 Sun.
Light snow
beginning about

3/18/56 - Sun

7:30 a.m. Snowed all day, with only one brief period of no snow. Bluebirds at big feeder all day - lots of sparrows, Redwings, Grackles, Starlings, Goldfinches, Cardinals, etc. from basement stairs. Small flocks 3/19/56 - Mon. 7 a.m. Snow continuing lightly to mid-morning - about

3/19/56 - Rained
3-4 inches total
in depth, altho
settled a lot yesterday.
Second storm
blizzard in last
week in New
England.
Local birds

3/20/56 - Sues -
Bald Coot
at big feeder.

3/31/56 - Sat.
Clear, cold.
